LAND ROVER FINANCIAL SERVICES

ABOVE & BEYOND

## LAND ROVER FREEDOM

Land Rover Freedom is an option available with your Land Rover Financial Services finance contract. It is designed to be as responsive and agile as the vehicles themselves, whilst allowing you the freedom experience from the moment you take the wheel of your new Land Rover.

## WHAT IS LAND ROVER FREEDOM GUARANTEED FUTURE VALUE\*

Your Land Rover Freedom Guaranteed Future Value is an amount that we agree to buyback your Land Rover for at the end of your Land Rover Financial Services finance contract.<sup>1</sup> All you have to do is comply with your service, Fair Wear and Tear Guidelines, set kilometre and finance contract obligations ("GFV terms").

## THE BENEFITS OF FREEDOM

- Land Rover Freedom is available on Land Rover Financial Services fixed rate consumer loans and commercial goods loans with or without a deposit.<sup>2</sup>
- Make the most of your Land Rover knowing your vehicle's Guaranteed Future Value<sup>1</sup> provided you have complied with the GFV terms and either return or trade in your Land Rover in accordance with them.
- Enjoy your Land Rover today with the confidence of options at the end of your finance contract.

## TRUE FREEDOM IS CHOICE

When your Land Rover Financial Services finance contract with the Land Rover Freedom option comes to an end you can choose one of the following alternatives that best suits your lifestyle and situation at that time.

### Trade in your Land Rover.

Return your vehicle to your preferred Land Rover Retailer as a trade in. If the trade in valuation is higher than the Land Rover Freedom Guaranteed Future Value,<sup>\*</sup> the difference can be utilised as equity towards your next Land Rover.

### Retain your Land Rover.

If you wish to retain your Land Rover at the end of your finance contract, you can simply pay out the total amount owing under your finance contract or alternatively, you can refinance that amount (refinance is subject to our standard terms and conditions and credit criteria).<sup>2</sup>

### Return your Land Rover.

To complete your Land Rover Freedom experience, you can return your vehicle to your preferred Land Rover Retailer, provided you have complied with the GFV terms.

\* Conditions apply. See below for details:

<sup>1</sup> The Guaranteed Future Value is not a representation by Land Rover Financial Services as to the likely market value of your vehicle at the maturity of your finance contract and does not apply if your finance contract terminates early. The Guaranteed Future Value option is available on select vehicle models only. If the vehicle is not returned in an acceptable condition as stipulated in the GFV terms the Guaranteed Future Value will be reduced accordingly and you will be required to pay the difference.

<sup>2</sup> Terms and conditions are available upon application. Available to approved applicants of Land Rover Financial Services subject to normal credit criteria.
